## The company of choice for global Background Verification!

QBC.ai offers expertise in the global background verification industry. We pride ourselves in the accuracy of our work. We understand that we work in a data driven industry and hence, put compliance and data protection at the core of all our processes and technologies.

We are ISO 9001:2015 (Quality Management Systems) certified and ISO 27001:2013 (Information Security Management System - ISMS) certified. Our policy of compliance to these systems enable us to provide a compliant service of the highest level to all our clients and partners.

With countless checks under our belt, we are not making an assumption when we promise flawless and accurate delivery of results.

For our searches we have both on ground staff and most up to date data bases.

Driven by technology, we have developed our systems that simplify our clients and partner experience, allowing us to deliver seamless services.

We don't have a one-size-fits-all approach in our company and are very keen to adapt to your specific needs and requirements offering à la carte of services - No fixed packages.

We are very flexible and can either integrate with your existing systems using APIs or adhere to any method you prefer. We work around your preferences.

Thank you for the opportunity to propose our company & services. We look forward to working with you.

## The company of choice for people who want to grow!

QBC.ai is a rapidly expanding startup in global screening company that offers individuals the opportunity to grow their careers and make a meaningful impact in the industry. With a presence in Australia, USA, UK, Dubai, and India, QBC.ai is truly a global company, providing employees with the chance to work in diverse and exciting environments.

One of the primary reasons individuals should consider joining QBC.ai is the company's comprehensive screening services. In addition to its focus on technology and innovation, QBC.ai is committed to providing customers with a full suite of screening solutions, including manual verifications, education and employment verifications, criminal verifications, civil verifications, and every other type of background screening for employment, tenant, or other purposes. By offering a range of services, QBC.ai ensures that employees have the opportunity to gain experience with a variety of screening techniques and become experts in their field. Additionally, this comprehensive approach to screening helps to ensure that QBC.ai's customers receive the most thorough and accurate screening results possible.

In addition to its technological leadership, QBC.ai offers employees a culture of collaboration, support, and growth. The company values diversity and inclusivity, providing employees with a supportive environment where they can share their perspectives and ideas. QBC.ai also prioritizes employee growth, offering professional development programs and opportunities for advancement.

Another benefit of joining QBC.ai is the chance to work with some of the brightest and most talented professionals in the industry. The company attracts top talent from around the world, providing employees with the opportunity to learn from and collaborate with peers who are leaders in their fields.

Overall, joining QBC.ai provides individuals with the chance to grow their careers, work on cutting-edge technology, and be part of a dynamic and supportive community. Whether you are just starting out in your career or are a seasoned professional, QBC.ai is a company that offers unparalleled opportunities for growth and success.
