

**DEPARTMENT OF ATOMIC ENERGY (DAE)** 

Bhabha Atomic Research Centre (BARC) **Training Schools** 

Invite

Engineering Graduates and Science Postgraduates

Who would relish challenges in frontier areas of Science and Technology, Who would like to be part of an expanding programme of Nuclear Reactors

Who would enjoy pursuing innovative research in Engineering, Physics, Chemistry To apply for recruitment as Scientific Officers (Group-A post of Government of India)

through its academic programmes Orientation Course for Engineering Graduates and Science Postgraduates (OCES) -2024 and DAE Graduate Fellowship Scheme for Engineering

Graduates (DGFS) -2024 TRAINING SCHEMES AND EMPLOYMENT DESCRIPTION

 One Year Orientation Course for Engineering Graduates and Science Postgraduates for the year 2024-2025 (OCES-2024) conducted at the BARC Training

Accelerators and Fuel Cycle Technologies,

Biosciences and Geology.

Schools. Table-1 lists OCES disciplines and corresponding eligible qualifying degrees &

eligible GATE paper/subject along with training programmes/ Schemes that will be offered to selected candidates. Table-2 lists the eligible disciplines and orientation of the Training Programme at each of the Training Schools. A Trainee Scientific Officer (TSO), who scores a minimum of 50% aggregate marks on completion of the Training Programme, is declared to have completed the course successfully. Successful TSOs will be posted as Scientific Officers in one of the following DAE units:

a) Bhabha Atomic Research Centre (BARC), Mumbai\*, b) Indira Gandhi Centre for Atomic Research (IGCAR), Kalpakkam, c) Raja Ramanna Centre for Advanced Technology (RRCAT), Indore, d) Variable Energy Cyclotron Centre (VECC), Kolkata, e) Heavy Water Board (HWB), Mumbai\*, f) Nuclear Fuel Complex (NFC), Hyderabad\*, g) Board of Radiation and Isotope Technology (BRIT), Mumbai\*, h) Nuclear Power Corporation of India Ltd (NPCIL), Mumbai\*, i) Bharatiya Nabhikiya Vidyut Nigam Ltd (BHAVINI)

Hyderabad\*, k) Uranium Corporation of India Ltd (UCIL), Jaduguda\*, I) Directorate o Construction, Services and Estate Management (DCS&EM), Mumbai\* These units have their Head Office at the indicated locations. Placement can be at the Head Office or at other facilities of these units located in different parts of India. Allocation of a successful OCES TSO to a DAE unit is carried out based on the needs of DAE's programmes and the TSO's performance in the OCES/DGFS programme DAE reserves the right to place TSOs in any of its other units also or the Atomic

Energy Regulatory Board (AERB). Performance above a specified threshold in course work at the Training School will entitle TSOs to a Post-Graduate Diploma or could earn them credits towards M.Tech./Ph.D programmes of Homi Bhabha National Institute (HBNI), a Deemed to be University. Two-Year DAE Graduate Fellowship Scheme for Engineering Graduates for the

years 2024-2026 (DGFS-2024). Under this scheme, Engineering Graduates who have excelled in the Selection Interviews for the BARC Training Schools' programme and who have independently secured admission for M.Tech. in DGFS Institutes and specializations as listed in Table-3, are paid stipend and tuition fee to pursue M.Tech. degree while

supervised jointly by a DAE guide and the DGFS Institute guide. On successful completion of M.Tech. they are posted as Scientific Officers in DAE. On joining, they are required to first undertake a four-month Orientation Course for DGFS Fellows (OCDF) at the BARC Training School, Mumbai. Their Placement will be at BARC\*\* and IGCAR. Allocation of a DGFS Fellow to a DAE unit is done at the beginning of the M. Tech. programme.

Selected candidates are required to execute an agreement and a personal Indemnity

Bond to serve DAE for at least three years after completion of Training. Indemnity Bond for

OCES candidate would consist of stipend and book allowance paid to OCES TSOs

under the BRNS Fast Track Project scheme to purchase equipment/consumables deemed necessary for completion of M.Tech. project, as per actuals paid. No third party surety is required. #The Bond Amount mentioned for DGFS Fellows pursuing M.Tech. at certain DGFS Institute may be different, depending on the tuition fee at the concerned Institute. During Training: (i) Stipend and Allowances: OCES TSOs and DGFS Fellows are paid a

Appointment in all the units shall be as a Scientific Officer in a Group-A Post of the Government of India in the Level 10 - ₹ 56,100/- of 7th CPC Pay Matrix. Appointment will be at the beginning of the pay scale with OCES TSOs getting two or three increments depending on their performance during the OCES programme and the DGFS Fellows

## getting three or four increments\*\*\* depending on their performance in M.Tech. and the four-month OCDF. Total Monthly Emoluments (with three increments) at the time of joining including Dearness Allowance, House Rent Allowance and Transport Allowance as per the

present Mumbai rate will be approximately ₹ 1,20,000/-. In addition, other Allowances such

as Leave Travel Concession by air, every year up to first eight years (subject to conditions

and once in two years thereafter, Children's Education Allowance, annual Professiona

Update Allowance and Performance Related Incentive Scheme (PRIS) as per

payable. A comprehensive Contributory Health Service Scheme for employees and their dependent family members is also available. \*\*\*DGFS Candidates whose performance in the M.Tech. and OCDF programme is below a specified threshold will get zero increment. **SELECTION PROCESS** 

BARC Training School will entitle them to a Post-Graduate Diploma of Homi Bhabha National Institute (HBNI), a Deemed to be University and could also earn them credits towards M.Tech. / Ph.D. programmes of HBNI. DGFS Fellows will get opportunities, some

time in their career, for pursuing Ph.D. through HBNI after joining DAE. DAE strives to have a workforce which reflects gender balance and women candidates are encouraged to apply. followed by **Selection Interview** of the shortlisted candidates.

specializations (Table-3).

either at BARC or IGCAR.

Kalpakkam\*, j) Atomic Minerals Directorate for Exploration & Research (AMD)

additional screening option is available for post graduate candidates of Basic

after the Online Test has concluded and candidates are therefore advised to maximize their chances of being screened into the Selection Interview stage by availing both the screening avenues (viz., BARC online exam and GATE). An

Mumbai & NISER Bhubaneswar.

Cut-off GATE Scores for screening into Selection Interviews will be decided only

in for Selection Interview on the basis of a GATE-2022, GATE-2023 or GATE-2024

2024 will be held in March 2024. Travel Allowance is not paid for appearing in it. (b) Graduate Aptitude Test in Engineering (GATE) Score: Candidates will be screened

Selection Interview stage, provided they meet all other eligibility requirements of the

OCES/DGFS-2024 programme. It is to be noted that this option of being screened in

based on CGPA can be exercised only once. Such candidates should first submit their

Other Opportunities: Candidates applying for OCES/DGFS-2024 may be considered for

direct recruitment in Institute for Plasma Research (IPR). Such candidates will be

Qualifying Degrees and Other Academic Requirements for OCES/DGFS-2024

Candidates whose qualifying degree name includes the core degree name with

any specialization are also eligible for OCES/DGFS-2024 programme. Also refer

to names of the degrees which are not eligible for OCES/DGFS programme as

For Engineering disciplines (OCES Exam codes 21-28): B.E./B.Tech.

governed by stipendiary norms and terms & service conditions of IPR on absorption.

Screening for Selection Interview is through two alternative channels: (a) Online Screening Examination: It will be conducted in eight Engineering OCES disciplines (codes 21-28) and in **four** Science OCES disciplines (codes 41- 43 and 45) at more than forty cities spread across India. The Online Screening Exam for OCES/DGFS-

*OCES-2024:* One-Year Orientation Course for Engineering Graduates & Science Postgraduates (OCES) starting in August, 2024 will be conducted at BARC Training Schools situated at BARC, Mumbai & AMD, Hyderabad. On successful completion

of the OCES programme, Trainee Scientific Officers (TSOs) will be appointed as

DGFS-2024: Two-Year DAE Graduate Fellowship Scheme for Engineering

Graduates (DGFS) for joining M.Tech., starting in July 2024, in DGFS Institutes and

On successful completion of DGFS programme, placement of DGFS fellows will be

The OCES & DGFS programmes offer attractive career progression opportunities

**up to the highest echelons.** Performance of OCES TSOs above a certain threshold at the

Scientific Officers in one of the DAE units or Atomic Energy Regulatory Board.

through various OCES screening discipline. Radiological Safety & Environmental Science (RSES) is an additional Training Scheme option available to candidates selected through Physics and Chemistry OCES disciplines (codes 41 and 42).

There is a separate selection process for each of the OCES screening disciplines listed in Table-1. Table-1 also shows the eligible qualifying degree for individual OCES/DGFS screening discipline along with available training schemes for selected candidates

Science disciplines (Biosciences, Physics and Chemistry) graduating from CEBS Students graduated/graduating with a Masters Degree from University of Mumbai

Department of Atomic Energy Centre for Excellence in Basics Science (UM-DAE CEBS) and National Institute of Science Education and Research (NISER), Bhubaneswar in the

academic year 2022-2023 / 2023-2024, and whose Cumulative Grade Point Average

(CGPA) is greater than or equal to 7.5 on a scale of 10 will be directly screened into the

application for the OCES/DGFS-2024 programme on the Online Application Portal and subsequently forward their details through the Director of their institute. Selection Interviews of shortlisted candidates in all disciplines except Geology will be conducted at the BARC Training School, Mumbai. Interviews in Geology discipline will be retaining their employment in DAE. After successful completion of one-year course work a held in Hyderabad. Outstation applicants travelling for Interview will be paid to-and-fro AC the DGFS Institute, Fellows undertake project work, which is assigned by DAE and III tier normal train fare by shortest route or actual fare, whichever is less. Selection Interviews are tentatively scheduled to be held in May-June, 2024. The list of candidates

shortlisted for Selection Interview will be posted on the Online Application Portal in April Shortlisted candidates will be able to choose an Interview slot, based on availability on the Online Application Portal, in the third week of April, 2024. Final Selection is solely on the basis of performance in Selection Interview, subject to medical fitness. \*Placement can be at any of the BARC facilities located in different parts of India.

Indemnity Bond# for DGFS candidate would consist of stipend, tuition fees paid to DGFS institute and contingency grant along with additional funding up to a sum of ₹ 4,00,000

the tuition fee for M.Tech. programme and are additionally paid a one-time Contingency Grant of ₹ 40,000/- per annum for two years to meet M.Tech. project related expenses. (iii Boarding and Lodging in DAE or DGFS Institute Hostel respectively, during Training, is mandatory. GRADE AND PAY SCALE ON APPOINTMENT

Government norms subject to approval and revised from time to time, are also

B.Sc.(Engineering) / 5-year Integrated M.Tech. with a minimum of 60%\* aggregate marks. in one of the engineering qualifying degree mentioned in Table-1. Applicants opting to be stipend of ₹ 55,000/- per month during the period of their Training. Additionally, the OCES TSOs are paid a one-time book allowance of ₹ 18,000/-. (ii) DGFS Fellows are reimbursed

considered on the basis of a GATE score must have a GATE-2022, GATE-2023 or GATE 2024 Score in the same engineering discipline as the qualifying degree discipline. Those
