रेल मंत्रालय / MINISTRY OF RAILWAYS
रेलवे बोर्ड / RAILWAY BOARD

No. 2025/E(MPP)/25/13/Technician

New Delhi, dated: 10.06.2025

The General Manager (P),
All Zonal Railways and PUs

Sub: Vacancies of Technicians to be notified in 2025

Ref. Railway Board Letter No. 2024/E(RRB)/25/38 dated 10.10.2024

Assessment of vacancies of Technicians by Zonal Railways/PUs in Online Indenting and Recruitment Management System (OIRMS) and in the Indent Management module of HRMS has been examined in Railway Board.

2. The Competent authority has approved to issue Centralized Employment Notification (CEN) for **6,374** vacancies of Technicians in **51** categories for the year 2025. The Railway/PU-wise distribution of vacancies is given in **Annexure – A**. Vacancies approved for South Central Railway (SCR) include 09 vacancies of IRISET – 05 in Technician Gr. III (Signal) and 04 in Technician Gr. III (Telecommunications).
3. Many categories identified for recruitment have identical medical standards, PwBD criteria, educational /technical qualification. Instead of separate notification for each category, it has been decided to club the vacancies of the allied categories for recruitment purpose. Out of 51 categories approved for recruitment, 33 categories have been clubbed to 12 (list at **Annexure-B**).
4. Technician Gr. III Furnishing (Mechanical) and Technician Gr. III Shell (Mechanical) of PU will not be recruited as separate categories. Their vacancies have been suitably added to allied Fitter and Welder categories in PU (Mechanical).
5. Immediate action should be taken by Zonal Railways/PUs for placing the final revised indent in all the 51 categories through OIRMS within a period of one week in consultation with Chairman/RRB/Bengaluru. While placing indent, Railways should ensure prescribed reservation norms for SC/ST/OBC/EWS etc. (both backlog and current) and shortfall, if any, should be properly taken care of. **It has to be ensured that final indent in any category does not exceed the vacancies approved by Railway Board.**

6. Nodal RRB will consolidate the indents placed by the Railways and issue the Centralized Employment Notification in the clubbed categories. Hence, the CEN will have 30 categories (18 unique and 12 clubbed). There should be a mention in the CEN about the different departments where similar posts have been combined so that the candidates are aware of the departments to which they may be posted. The CEN will also specifically include a provision that final allotment of department and category will be done by the concerned Railways and PUs, based on their requirement.
7. After recruitment process is over, RRBs will send panels to Railways/PUs in clubbed categories without mentioning the department. Railways/PUs in turn will assign the selected candidates to the original categories based on the vacancies available and community wise distribution. This will provide the required flexibility to the field units based on the real-time vacancies.

DA. As above

10/06/25
